

The Arizona Department of Environmental Quality (ADEQ) administers the Small Municipal Separate Sewer Drain System (MS4) permit for Nogales. The permit requires that Nogales have an ordinance (No. O2007-10-007) to promote the public health, safety, and general welfare by limiting the discharge of pollutants into the MS4. Nogales is also required to create and maintain the following documents that provide current information regarding the MS4 permit:

Storm Water Management Program Plan (SWMPP)

Notice of Intent (NOI) for Arizona Pollutant Discharge Elimination System (AZPDES) MS4 General Permit ID #: AZSM65849

Small MS4 Annual Report ID #: AZSM65849

Discharge Monitoring Report (DMR) Annual MS4 Phase II

Ordinance No. O2007-10-007
